Re: *United States v. Leon Smalls*, 19-cr-166 (VEC)

Dear Judge Caproni,

I represent the defendant in the above-captioned matter. I write to respectfully request a postponement of my client's sentencing. Specifically, we are asking for an additional month or six weeks. I have conferred with my counterpart at the government and she has no objection to this request.

The defense makes this request primarily because it is awaiting the production of certain records from various New York government agencies that it believes may be relevant to its sentencing submission. The defense is unsure as to when it will receive the records but expects that the requested adjournment will be sufficient. Notably, two of defendant's co-defendants are scheduled to be sentenced in this matter on April 15. Defendant has been detained since his arrest and is currently at MCC-New York.

Most sincerely,

/s/
